## Seats at the Table

Welcome to the table. Please take a seat. We will be sharing a series of conversations together to create a customized menu and map for your journey to success.

Using her signature model for coaching conversations, we partner together to work through a proven process to explore and reach your personal, professional, team and business goals.

## ALIGN YOUR LEADERSHIP + BUSINESS + HUMAN GOALS

### Executive Leadership & Teams

Providing strategic consulting on corporate culture, cross-functional team alignment, and internal communications infrastructure. Address your big picture goals and the often challenging steps to get there. What do you need to focus on for your leadership, company culture, business strategy, teams or organization? Topics include communications, leadership, interpersonal and team conflict, team building, employee retention, managing from the middle and more.

### Career Transitions

Discover your focus, prepare and strategize at the crossroads. Topics include career pivots, job search tools and strategies, mobility and advancement, entrepreneurship or consulting, resilience and wellbeing, and succession planning.

### Presentations & Trainings

Facilitation of group trainings and presentations for leadership development, career and communication topics including personal and professional brand, career transitions, workplace resilience and burnout, executive presence and strategic storytelling.

### Personality & Workplace Assessments

Using tools for self awareness and growth, including Genos EQ, to help you reach your leadership, business and human goals.
